

PE and Sports Grant Statement of Impact 2016-2017

Total Funding Given to School:

£9,420

How the funding was spent?

2016-2017 was a busy year for delivering a variety of different PE activities, afterschool sports clubs and activity trips (Avon Tyrrell). Pupil sports participation continues to increase as children are given the opportunity to undertake a variety of competitions and celebrations of PE, both in and out of school and across the Hamwic Education Trust schools.

We were fortunate to be awarded a Grant to improve and upgrade our playground markings. These included a running track, phonics, individual activity targets, shapes and ball markings. This facility, as an addition to our existing adventure playground, further benefits the children in their PE and activity sessions.

Edwin Jones Trust and Jeffrey's Education Trust employed a PE specialist to improve the quality of teaching and diversity of the curriculum across the Trust schools in order for all pupils to make regular and sustained progress.

We provided new opportunities from external Sports providers including: Short tennis, Kyudokan Martial Arts, Tag Rugby, Basketball, Kidz Fit workshops and WW2 dance workshops (Contrast Company). In addition, we offered extra swimming lessons to identified pupils who could not swim over a distance of 25 metres competently, confidently and proficiently.

Finally, the children were exposed to a greater variety of sports during and after school to support the development of healthy physical activity habits. Other activities above normal PE lesson delivery included the following afterschool and golden time clubs: Football, Rounders, Yoga, Cycling Proficiency (yr. 5 & 6), Girls football, Boys football and Adventurous play.

Below is Beechwood Junior School's School PE Sport Funding Action Plan for 2016 – 2017. This table documents how the money was spent during the academic year and the impact of any intervention or action on pupils' PE, Sport participation and attainment as a result.

Beechwood Junior School's School PE Sport Funding Action Plan for 2016 – 2017

PE and sport funding used for:	Amount Allocated to the action (£)	Is this a new or continued activity?	Brief summary of the action, including details of year groups and pupils involved, and timescales	Specific intended outcomes: how will the intervention or action improve achievement for all pupils? What will it achieve if successful?	How will this activity be monitored, when and by whom? How will success be identified / evidenced?
<i>Employing a specialist PE teacher to work alongside teachers in lessons to increase their subject knowledge and confidence in PE.</i>	£3,600	This is a continued provision to develop the knowledge, skills and confidence of all staff.	All year groups to receive training to develop knowledge and understanding so practitioners are more competent and confident.	Competency in staff will increase; children will become more physically literate and their attainment / skills will improve. Specialist PE teacher to identify children who need additional support and provide tailored lessons to develop and improve these specific skills.	<ul style="list-style-type: none"> • Observations targeted in PE. • Meetings to discuss the impact of training and how this could then be feedback to other colleagues. • All will be monitored by TC and NL.
