

Beechwood
Junior School

Monday 1st June

Dear Year 2 child,

I hope you will really like it here at Beechwood.

I am writing to you so that you are less nervous about going to Beechwood. Here are some things that we do and have. For every class we have a worry monster and if you have a worry you can grab a post it note and write your worry down and put it in the worry monster's mouth, and at the end of the week your teacher will call your name and you can talk about your worry.

There is a football pitch and on hot lunchtimes you can play on it, sometimes even the teachers join in!

If you are worried, well you don't need to be because the older children may seem scary but really they are very nice.

I was really worried about my new teacher but I didn't need to worry because she was actually really nice. All the staff at Beechwood are really kind + helpful.

We have 2 play grounds and in one of them we have to be quiet so we don't scare our 6 chickens.

We have a thing called golden time and on Fridays after assembly you go to your golden time club!

So far I have done face painting club, colouring club, origami club, card club and so on. Sometimes we have school discos and we have them on special occasions such as

Halloween. I loved my Tudor topic, because I learnt lots of facts I didn't know for example: did you know Henry VIII had 6 wives?

I hope Beechwood will be as fun as Glenfield was!

From Grace
