

PSHE - Respecting similarities and differences (Week 1)

Task 1: What makes you the same as other people? What makes you difference? Fill in the person with information about what makes you the same and what makes you different. Use the pink slides on the next page to help you.

They're what makes you different.

Sometimes they do matter because sometimes there are things people cannot do?

Sometimes I am proud to be different, sometimes I really don't want to be different.

Do differences matter?

You don't have to be the same as everyone else!

Sometimes being different can make you feel like you're left out?

Sometimes they do matter because you feel like you don't fit in.

They're what makes you special.

Our actions and our choices.

Religion.

Our friends.

Where we are from - ethnicity.

Genes

Where do our differences come from?

Your beliefs.

Our heritage and family.

Our experiences.

Our feelings.
