On YouTube, search for 'long and short vowel sounds'

This week, we are focusing on ways to make the long /a/ sound.

Here are some examples of ways to make this sound:

a_e = cake

ai = rain

a = alien

ay = play

Can you think of any more words to go with each example?

Can you think of any other way we can make the long /a/ sound?

Maybe these words will give you a bit of a clue:

eight

obey

vein

What letters are making the long /a/ sound in these words?

I have highlighted the letters that make the long /a/ sound.
