

Year 6 Remote Learning Weekly Timetable

Dear parents,

We hope you are safe and well during this difficult period. We wanted to give you as much notice as possible about our remote learning during school closure. Weekly work will be uploaded to the website by the end of the day on the Friday ready for the following week.

School website: www.beechwoodjuniorschool.co.uk

Alongside this, live and recorded online zoom lessons will take place and will follow a consistent timetable. Lesson recordings will also be available on the Beechwood Junior School youtube channel at the end of every day if your child would prefer to watch them recorded.

We are really excited to be able to offer online live lessons and hope to see as many children as possible joining in. As next week will be the first time that we have tried to do this, we ask that you bear with us and let us know should you have any problems accessing the lessons. You can email either our IT Technician (johnwheatley@beechwoodjuniorschool.co.uk) for technical questions or of course the year team for any learning related questions.

For safeguarding reasons, we would ask you to follow the below protocols when accessing the live lessons:

Zoom protocols for live remote learning lessons

School staff will:

- Start the zoom lessons on time and allow access for those wanting to join
- Ensure that children either working in the classroom or at home are not visible on any recording
- Monitor the chat function to ensure questions asked by those working at home are answered in a timely manner

Parents will:

- Aim to join the zoom lesson on time (otherwise teachers may not see that you are waiting)
- Use a display name consisting of the child's first name and their class e.g. Ben 5F
- Ensure children are appropriately dressed, ready to learn and supervised at all times
- Ensure the microphone is muted unless the teacher has asked you to unmute
- Use the chat function to ask any questions.

This timetable details when the live zoom lessons will be held for reading, writing, maths and geography - the zoom link is the same for each of these lessons. There will also be a class novel read live twice each week and a whole year group assembly which we would love as many children to join in with as possible - there are different zoom links for these sessions. All zoom links are below the timetable.
